† These statements have not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Procera Advanced is a premium nutritional supplement that helps support memory and mood.†

## Natural Memory Support

Derived from the highest-quality and most potent Ginkgo biloba leaf and Panax Ginseng extracts available, these ingredients have been clinically studied to support memory.†

## Foundational Brain Support

Phosphatidylserine provides foundational support for the brain, including cell membrane composition and cell function.†

## Vitamins & Zinc

Procera Advanced contains high-quality, co-enzyme B vitamins and Zinc to help support the nutritional needs of your brain and body.†

## Energy & Mood Stabilizer

Procera Advanced is comprised of three adaptogens (Ashwagandha, Rhodiola Rosea, American Ginseng) that work like a thermostat, sensing fluctuations in the body's homeostasis and normalizing those imbalances.†
