

Amazing Trio

Wheat, Barley & Alfalfa Grass

Our whole leaf grasses are grown and harvested to allow their root systems to grow deep and capture an abundance of rich nutrients not typically found in traditional green vegetables. We harvest at peak nutrition and cut only the tips of the grass ensuring mother nature's best is in every scoop so that you can feel amazing every day.

Our organic wheat grass is whole leaf, not juiced, maintaining nutritious fiber. One scoop is the nutritional equivalent of more than 10 shots of tray-grown wheat grass.

We organically grow & harvest the most nutrient-rich greens on our family farm in Kansas & craft them with the highest quality plant-based ingredients curated from like-minded farmers around the world.
