NATURAL & ARTIFICIAL FLAVORS

DIETARY SUPPLEMENT NET WT. 9.62 oz. (273g)

RESEARCH-BACKED INGREDIENTS. CLINICAL DOSES. FULL TRANSPARENCY. ALL POWER.

New Amino Max Black Onyx[®] is a powerful musclebuilding BCAA and amino formula built with scientifically advanced ingredients to empower strength, muscle recovery, ATP production and electrolyte replenishment. The unique formula features an advanced 2:1:1 BCAA blend delivering three forms of L-leucine, the most anabolic BCAA.[▲]

► Supercharged Strength & Recovery

Amino Max Black Onyx[®] delivers a superior 8g of BCAAs, supplying a researched 4g dose of L-leucine, plus it's armed with glutamine and pure L-citrulline. Many competitors only include a supportive dose of L-citrulline malate which provides an inferior dose of true L-citrulline. Whats more, Amino Max Black Onyx[®] also features a researched dose of elevATP[®] to boost ATP production and increase strength.[▲]

► Powerful Dose of elevATP[®]

This clinically studied key ingredient provides your muscle cells with the edge they need to help you set a new personal best. Researchers believe that elevATP[®] increases mitochondrial ATP production to increase muscular energy when the going gets tough. In fact, recently published human clinical research has indicated that elevATP[®] can increase the body's ATP levels to help you train longer and with more intensity.[▲]

SCIENTIFICALLY RESEARCHED KEY INGREDIENTS

8g	BCAA
4g	LEUCINE
1.5g	CITRULLINE
150mg	elevATP [®]

20

SERVINGS

Supplement Facts

Serving Size: 1 Scoop (14g)
Servings Per Container: Approx. 20

Amount Per Serving	% Daily Value
Calories	45
Sodium	25mg 1%
Potassium (as diposium phosphate)	25mg 1%
Triple-Dosed Amino 2:1:1 Blend	†
L-leucine (as instantized L-leucine, sustained-release L-leucine and PepForm [®] L-leucine peptides)	4g †
L-isoleucine	2g †
L-valine	2g †
Peak Muscle Plus Matrix	†
L-citrulline	1.5g †
L-glutamine	1g †
Taurine	1g †
elevATP [®] ancient peat and apple fruit extract (as Malus domestica)	150mg †
Hydra-Electrolyte+ Blend	†
Sodium chloride	65mg †
Dipotassium phosphate	55mg †
Coconut water (as Cocos nucifera) (fruit)	50.5mg †

*Percent daily values are based on a 2,000 calorie diet.
† Daily Value not established.

Other Ingredients: Malic Acid, Natural and Artificial Flavors, Silicon Dioxide, Sucralose, Acesulfame Potassium, Citric Acid, Tartaric Acid. Contains milk and coconut ingredients. Processed in a facility that also processes soy, wheat, egg, peanut, tree nut, fish and shellfish ingredients.

DIRECTIONS: Mix 1 serving (1 scoop) with 12 oz. of water and consume pre- and intra-workout. Read the entire label before use and follow directions provided. Do not exceed 1 scoop in a 24-hour period. If you want to add to your overall daily BCAA intake without the additional calories from drinking multiple protein shakes, you can also add 1 scoop to a jug of water and drink it over time.

WARNING: For adult use only. Do not use if pregnant or nursing. Consult a medical doctor before use if you have a medical condition or before starting a diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**

AMINO MAX Black Onyx[®] is manufactured according to cGMP standards, as is required for all dietary supplements.

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).
