

USAGE: Take 1 to 2 tablets per day with water prior to breakfast or between meals on an empty stomach, or as directed by your qualified healthcare professional. Nicotinamide Riboside need not be taken with food.

NIAGEN® (nicotinamide riboside chloride) is an efficient precursor to nicotinamide adenine dinucleotide (NAD+) and has been shown to boost NAD+ levels.* NAD+, a metabolite of vitamin B₃ (niacin), is essential to mitochondrial function and enables cells to convert both glucose and fatty acids to energy.* NAD+ is involved in sustaining energy, neural health and healthy aging.*

Keep out of reach of children.
