NOW® DOPA Mucuna is 100% vegetarian.*

Dopamine is a neurotransmitter that promotes enjoyment and interest in life. Containing 15% L-DOPA (the immediate precursor of dopamine), NOW® DOPA Mucuna provides the body with what it needs to make this important neurotransmitter. *Mucuna pruriens*, commonly known as Velvet Bean, has been used in the traditional Ayurvedic system in India for thousands of years.

SUGGESTED USAGE: As a dietary supplement, take 1 to 2 Vcaps® with a meal. Best when taken early in the day. Consider taking this product in combination with NOW® Co-Enzyme B-Complex, Antioxidant Caps and True Focus™.
