ABOUT
Aloesorb™

ALOESORB™: naturally occurring high molecular weight aloe polysaccharides that have been isolated through a patent-pending process and infused back into our aloe juices. Lily has completed a series of clinical studies on our own aloe juice with Aloesorb™ and these studies show:

- Improved absorption of nutrients
- Supported healthy immune system
- Enhanced antioxidant support
- Reduced toxic nitrate levels

Lily of the Desert products with Aloesorb™ show an overall improvement in health benefits.
