Holistic Prostate Support

Prostate *Take Care*™ combines multiple prostate-supportive phytonutrients, including dual extracts of Nettle and supercritical Saw Palmetto.*

Urine Flow Support

Prostate *Take Care* delivers specific revered herbs that help maintain normal urine flow function.*

High in Selenium

Whole-food cultured Selenium, with complementary benefits from Rosemary and Green Tea, supports a healthy antioxidant response in the whole body, including the prostate.*

1+1>2

Contains a proprietary blend, with complementary Pumpkin Seed oil, that has been shown *in vitro* to be more effective than its single herb constituents.*

Pure & Potent Extracts

New Chapter® uses only supercritical CO₂ or traditional techniques to deliver a super-pure, super-potent extract.

Caution: As with any dietary supplement, you should advise your healthcare professional of the use of this product. Ask a healthcare professional before use if you have a long term medical condition, are taking any regular medication or have any surgery planned. Supplements should not be used as a replacement for standard medical therapy and may interact with medications. Read ingredients carefully and avoid use if known sensitivity to any of the ingredients. Discontinue use and contact your healthcare professional if you experience a side effect or an allergic reaction. Do not exceed recommended dose. Do not combine with other saw palmetto products. **Keep out of reach of children.**
