This product is intended for intermittent or supplemental feeding only.

Your dog will have heads turning once he tries GNC Pets Ultra Mega Skin & Coat Essentials Mini Bones. Because skin & coat health goes beyond a brush and a bath, GNC Pets uses only the most premium ingredients to support a good hair day. Each soft mini bone combines over 200 mg of omega 3, 6 & 9 fatty acids and vitamin E for a shiny, silky coat to help manage normal shedding, and to support healthy skin from the inside out.

Feeding Directions:

Up to 10lbs 1/2 mini bone
11 to 50lbs..... 1 mini bone
Over 50lbs..... 2 mini bones

Give recommended number of mini bones daily.

WARNINGS: For animal use only. Keep out of reach of children and animals. Your pet may consider this a treat. In case of accidental overdose, contact a health professional immediately.

Store in a cool, dry place.

GNC PETS QUALITY COMMITMENT

For more than 75 years, GNC has been the leader in the development and manufacture of human dietary supplements. Now, GNC's commitment carries over to Pet Products! GNC Pet Products are produced at the same highest quality standards as our human supplements and are dated to ensure that you are purchasing the freshest products available for the pets you love.
