Fresh Royal Jelly contains life forming highly nutritional complexity of nature's super food that queen bee feeds on and incredibly lays over 2,000 eggs per day.

Y.S. Fresh Royal Jelly has a superior beehive quality with maximum level of 10-HDA. It is vital to preserve the fresh royal jelly safely by blending with energy packed raw honey capable of naturally crystallizing and maintaining the thick consistency.

Suggested use: One or two teaspoons twice a day, preferably between meals on an empty stomach with a small amount of water (2 tablespoons). Never put in hot water, only lukewarm.
