INTRODUCING KETO HYDRATE™

How do you hydrate? Beer, coffee, and holding your open mouth to the sky when it rains don't count by the way. Oh, and research has shown that those sugar filled performance drinks made by the other guys might actually be dehydrating you (bummer). Introducing **KETO HYDRATE™** a **SUGAR FREE & CAFFEINE FREE** performance and recovery hydration beverage built with BHB (Ketones)(as goBHB®†) for energy, and packed with 4 vital electrolytes that promote hydration and support muscular performance. Drink **KETO HYDRATE™** whenever you need a lift, especially before, during, or after physical activity. **KETO HYDRATE™, ENERGY & HYDRATION FOR ALL.™**
