Specializing in the finest
Norwegian fish oils since 1982

For those of us who don't eat a diet high in oily fish, each Super Omega-3 Gems® soft gel provides 1,000 mg of fish oil, which contains the important omega-3s EPA and DHA. To ensure maximum freshness, we closely manage our fish oils from sea to store and source the highest quality, deep, cold water fish using traditional, sustainable methods.

PURITY GUARANTEED

This product is regularly tested by independent FDA registered laboratories. It has been determined to be fresh and fully potent (per AOCS international protocols) and is free of detrimental levels of mercury, cadmium, lead, PCBs and 28 other contaminants.
