

1 capsule

1-3x daily

Best if taken

with food

**Suggested Use:** As a dietary supplement, take one capsule up to 3 times daily, or as directed by your physician. Each serving contains as much caffeine as about 2 cups of coffee.

**Warning:** NOT FOR USE BY PERSONS UNDER THE AGE OF 18. KEEP OUT OF THE REACH OF CHILDREN. If you are pregnant, breast feeding, have known medical conditions (including kidney or liver disease) or are taking prescription or OTC medication(s) consult with your health care practitioner before using this product. Not advisable in cases of high blood pressure or pregnancy. For occasional use only. Not intended for use as a substitute for sleep. Limit the use of caffeine-containing medications, foods or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness and occasionally rapid heartbeat. In case of accidental overdose, seek professional assistance or contact a poison control center immediately. Do not consume more than the recommended dose.
