

Rapid Multi-Symptom Relief*

NATURAL

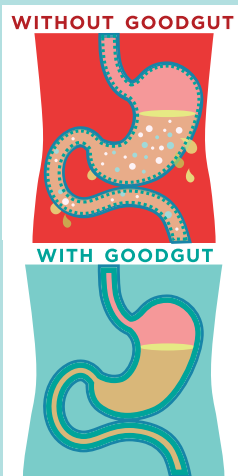

A single dose has been clinically shown to alleviate:

- Diarrhea
- Upset Stomach
- Gas & Bloating

Diarrhea, stomach discomfort gas and bloating can be caused by viruses and bacteria that damage the protective lining in your digestive tract.*

This can result in food poisoning and stomach flu, which are the leading causes of diarrhea in the United States.*

Goodgut® Rescue has been clinically shown to reinforce the protective lining of your digestive tract.*
