

# DOSE LOCKER

Supplement Funnel and Storage Container

Easily store and pour any supplement or powder drink mix into a water bottle making it convenient to take your supplements on the go!

[www.doselocker.com](http://www.doselocker.com)

1. Remove large cap and pour desired amount of powder mix into the Dose Locker.
2. Replace cap and take Dose Locker with you.
3. When you're ready for your drink, remove small cap and pour powder mix into your water bottle.

Powders that tend to clump may require light tapping of the Dose Locker against the bottle's opening when pouring. Hand wash only.

Made in the USA
