Ionic Selenium is a rich, concentrated liquid dietary supplement that provides selenium in an ionic form—the form most widely recognized by the body.* Our proprietary process ensures maximum absorption, while the balanced liquid form provides safety and flexibility.*

Selenium may reduce the risk of certain cancers. Some scientific evidence suggests that consumption of selenium may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive.

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
