INTRA-WORKOUT

# RACKED™

# BCAA

## OPTIMAL BODY COMPOSITION FORMULA:

Racked™ is a first of its kind instantised branched chain amino acid complex, a unique intra-workout formulation created to push training further than you ever thought possible. Loaded with protein synthesizing iBCAA's, to help protect and grow lean muscle. Packing a powerful 2 grams of Acetyl L-Carnitine & L-Carnitine; which may help to cellularly metabolize stored fat in a fasted state, and convert your post workout meal for peak body composition. Racked™, is synergistically rounded out with a potent punch of: taurine, tyrosine, chromium picolinate, Himalayan sea salt & Bioperine™ which may help ensure: hydration, cellular glucose metabolism, optimal thyroid function, precision focus, and clinical bioavailability.

## PRIME INGREDIENTS:

- \*iBCAA's - Instantised to promote the cellular synthesizing of protein to protect & grow lean muscle
- \*L-Carnitine - Has been shown to aid in the metabolism of nutrients from food
- \*Acetyl L-Carnitine - May increase cellular fat metabolism in a fasted state
- \*Gamma-butyrobetane HCL - Potentiates the natural production of carnitine in the body
- \*Bioperine - Clinically shown to increase supplement bioavailability
- \*Taurine - Shown to promote glucose control, focus, and longevity
- \*Himalayan Salt - Rich in 84 trace minerals

This compound's formulation ensures premium SUSTAINZ. (Sustained-GAINZ)
