RAW ORGANIC CAMU CAMU POWDER

A TANGY SUPERFOOD BOOST
FOR SMOOTHIES & JUICES

NET WT. 3.5oz (100g)

Certified Organic Camu Camu Powder

An amazing superfruit, camu camu berries are an excellent source of the antioxidant vitamin C, with 240% daily recommendation per teaspoon. Camu camu also has vitamin B3 and potassium which may support healthy immune function. These tiny berries pack a big punch to help aid in the body's overall health and vitality.

The Sunfood Difference™

Our camu camu berries are carefully hand-picked from the South American rainforest, where they are low temperature processed into a fine powder. This preserves the abundance of vitamin C, a delicate nutrient that is degraded by high heat. Raw, certified organic, non-GMO, and free of additives and fillers, our Camu Camu Powder is the highest quality available.
