

This precision styling gel effectively blocks humidity, while controlling reversion and flyaways. Formulated with nutrient-rich Jamaican Black Castor Oil, certified organic Shea Butter and Peppermint to help promote growth by strengthening and conditioning hair.

Apply a small amount to styled hair, smoothing flyaways with fingertips. For maximum control, apply small dabs to hairline and to edges the night before and cover hair with a silk scarf. In the morning, hair will be slicked back and well hydrated.

Our Story

Sofi Tucker started selling Shea Nuts at the village market in Bonthe, Sierra Leone in 1912. By age 19, the widowed mother of four was selling Shea Butter, African Black Soap and her homemade hair and skin preparations all over the countryside. Sofi Tucker was our Grandmother and SheaMoisture is her legacy. Through Community Commerce you help empower disadvantaged women to realize a brighter, healthier future.
