

SWEET ORANGE

Widely known and loved, the same aroma you experience when peeling an orange. This light, sweet fragrance with soft citrus notes blends well with eucalyptus, lavender, and lemon essential oils.

Ingredient: Sweet Orange (*Citrus sinensis*) essential oil.

EUCALYPTUS

With more than 600 species of eucalyptus, this Blue Gum variety emits an earthy, mint fragrance with a kiss of honey. This strong aromatic is a must-have for your essential oil collection.

Ingredient: Eucalyptus (*Eucalyptus globulus*) essential oil.

LAVENDER

An all-time classic floral and woody aroma, used by spas and resorts around the world to promote a calm atmosphere. This versatile aroma blends well with eucalyptus, lemon, orange, and peppermint essential oils.

Ingredient: Lavender (*Lavandula angustifolia*) essential oil.

Directions: Add a few drops to an aromatherapy diffuser to enjoy the fragrances of nature.
