

Read the entire label and follow the directions carefully prior to use. This product is not meant to replace veterinary care. Any animal not responding to nutritional therapy should be seen by a licensed, competent veterinarian. Always inform your veterinarian if your animal is taking a supplement.

DIRECTIONS: For dogs weighing 20-30 pounds, mix one scoop a day into your pet's food or a treat. Adjust amount according to weight.

Refrigerate after opening. Density may vary.
