† These statements have not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Procera AVH is a nutritional supplement that helps support brain health and cognitive function.†**

## Need Brain Health Support?

Procera AVH's ingredients have been carefully researched and formulated for the health of your brain. Its unique triple action helps promote blood and oxygen flow to the brain, supports key neurotransmitters and provides vital neuroprotection.†

## Derived From Natural Ingredients

### Acetyl-L-Carnitine (ALC)

Although the human body manufactures some ALC, it decreases with age. ALC provides neurotransmitter support.†

### Ginkgo biloba

Derived from the Ginkgo biloba leaf, this standardized, natural extract helps support blood flow to the brain.†

### Huperzine A

Helps support levels of Acetylcholine, a key neurotransmitter used by the body to improve healthy brain function.†
