

This formulation provides three species of mushrooms that have been part of traditional oriental health practices for 2,000 years. Reishi, Shiitake and Maitake mushrooms contain naturally occurring constituents, including the natural polysaccharide known as beta glucan.

If you are pregnant, nursing, taking any medications or have any medical condition, please consult your healthcare practitioner before taking any dietary supplement. Discontinue use and consult your healthcare practitioner if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if outer bottle seal is missing or damaged.
