

THE HCG

SOLUTION™

The NiGen Guarantee:

Do not settle for substitutes or products claiming to be “Homeopaths” manufactured from unauthorized animal parts. NiGen BioTech guarantees that its branded “HCG Solution” contains the full spectrum of human chorionic gonadotropin amino acid isolates derived from certified-grade raw materials (the very purest materials available) which are then processed according to GMP (Good Manufacturing Practices), and is hormone free. For your convenience, “HCG Diet Plan” resources are enclosed.

Hormone-Free

Weight-Loss Breakthrough?

You’ve seen them on TV. You’ve read about them in magazines and on the internet. They’re HCG diet plans, and they’ve got to be the most controversial purported weight-loss plans of all time. There are literally thousands of brands and hundreds of combinations of orally administered so-called HCG products to be had. But do any of them really work? To tell you the truth, almost every expert will say either “absolutely not,” “the reduced calorie diet plan caused the weight loss,” or “the weight loss was the result of the placebo effect.” Yet the fact remains that tens of thousands of men and women swear by it... just ask your friends.

But if you’re going to try an oral formula and see what all the fuss is about, make sure the formula you choose is processed according to Good Manufacturing Practices (GMP). Do not settle for substitutes or products claiming to be “Homeopaths” manufactured from unauthorized animal parts.

NiGen BioTech™ guarantees that its branded “HCG Solution” contains the full spectrum of human chorionic gonadotropin amino acid isolates derived from certified grade raw materials (the very purest materials available) which are then processed according to GMP (Good Manufacturing Practices), and is hormone free. For your convenience, “HCG Diet Plan” resources are enclosed.

† Daily Value not established.

*Contains the same amino acid constituents of HCG.
Other Ingredients: Water, Alcohol, Sucralose, Natural and Artificial Flavors, Malic Acid, Gellan Gum, Gum Arabic, PHENYLKETONURICS: CONTAINS PHENYLALANINE.

DIRECTIONS: Adults add 2 droppers full (approximately 2 ml) to a full glass of water (8-10 fl. oz.) and consume entire serving 15 minutes before main meals. Do not exceed 3 servings in any 24-hour period. Shake well before use. Refrigerate after opening. Use in conjunction with any sensible diet and exercise program. Individual results will vary.

WARNING: Do not exceed suggested daily serving. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. This product contains a potent xanthine mixture (i.e., caffeine and caffeine-like stimulants) of about 100 mg per serving. Consult your physician before use if you are taking medication, are sensitive to stimulants, or have a medical condition. Do not use if safety seal is broken or missing. Use only as directed. Keep out of reach of children.

NOTE: Limit the use of xanthine-containing (i.e., caffeine and caffeine-like stimulants) supplements, foods, or beverages while consuming this product because stimulants may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. If you or your health-care provider have any questions, please call: 1-800-414-4220.
