

Let's face it, I contain many incredible ingredients but here are a few of my best.

Thank Goat you found me.

NATURAL
CLAY MASK

**THANKTM
GOAT.**

**sun
recovery.**

noun

Goats milk based face mask for skin pigmentation + sunspots to brighten your complexion. **#thankgoat**

WITH VITAMIN C + LYCOPENE

NO SLS, SLES, EDTA, PARABENS

The PH of Goats Milk is very close to that of human skin & has been traditionally used as a natural remedy for restoring skin health.

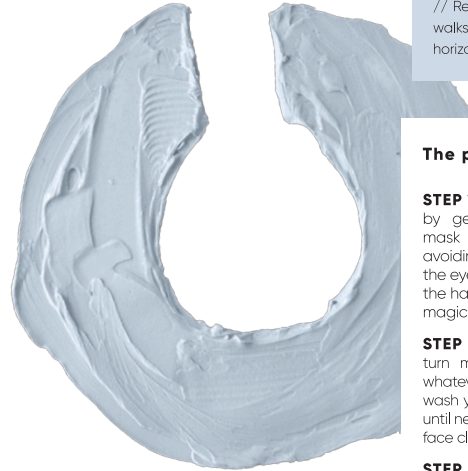

We goat your back. All our products are free from parabens, nasty chemicals & toxins. Milked with love – our goats are our friends.

Net 100ml (3.38 fl. oz)

My perfect match.

Like: Sun kissed skin // Pigmentation // Redness + Inflammation // Long walks on the beach + sailing into the horizon.

The perfect facial (Directions):

STEP 1 (Game Face): Apply your clay by gently squeezing out enough mask to evenly cover your face avoiding the eye area. If contact with the eyes occurs flush with water. Now the hard work's done let the fun (and magic) begin.

STEP 2 (Inner wild child): Kick back, turn music on, do a cartwheel or whatever floats your goat. Gently wash your mask off after 8 minutes or until nearly dry with warm water and a face cloth.

STEP 3 (Bye now): By now you've hopefully mastered that cartwheel, danced your heart out and have controlled those problematic areas. See you at the beach.

Ingredients: Water (Aqua), Kaolin, Glycerin, Tapioca Starch, Citric Acid, Sodium Citrate, Aloe Barbadensis Leaf Juice, Goat Milk (Caprae Lac), Zeolite, Potassium Cetyl Phosphate, Magnesium Aluminum Silicate, Xanthan Gum, Carageenan, Arctostaphylos Uva Ursi Leaf Extract, Glycyrrhiza Glabra Root Extract, Salanum Lycopersicum (Tomato) Seed Oil, Coprylic/Capric Triglyceride, Vaccinium Macrocarpon (Cranberry) Seed Oil, Helianthus Annuus (Sunflower) Seed Oil, Tocopherol, Sodium Ascorbyl Phosphate, Niacinamide, Citrus Nobilis (Mandarin Orange) Peel Oil, Lavandula Hybridia Oil, Citrus Aurantifolia (Lime) Oil, Cymbopogon Martini Oil, Origanum Majorana Flower Oil, Commiphora Myrrha Oil, Maltodextrin, Salicylic Acid, Benzyl Alcohol, Dehydroacetic Acid, Gardenia Florida Fruit Extract **ALLERGENS: Limonene, Linalool, Benzyl Alcohol (Preservative constituent)**

WARNING: Not edible. Patch test on small area. If irritation occurs discontinue use immediately.

LOOK AFTER ME: Keep out of direct light or other sources of strong light. Product to be stored between 5-28 °C (41-82°F).
