

Natrol® 5-HTP 100mg *Fast Dissolve* delivers natural mood support in a delicious, wild berry flavored tablet. 5-HTP is a drug-free, plant-derived source of an amino acid that naturally increases the body's level of serotonin, the chemical messenger that affects emotions, behavior, appetite, thought and sleep. This fast-dissolve formula delivers unique, rapid dissolve technology that helps promote fast absorption. Improve your mood with this delicious, easy-to-use tablet.†

Consult your healthcare professional prior to use if you have or suspect a medical condition or are taking prescription drugs including drugs for depression, migraines, Parkinson's disease or psychiatric disorders. Do not use with other supplements containing L-tryptophan or 5-HTP. Do not use if you are pregnant, lactating or under the age of 18 years.
