
 **Health Tip:** For many generations among many different cultures, families have given their children Cod Liver Oil. Folklore tells us that this was because families observed how children raised with Cod Liver Oil grew healthier and smarter. Modern research now confirms this historical wisdom.*

 **How to grade your Cod Liver Oil:** **Freshness:** delivery time from fishing boat to manufacturing plant. **Purity:** Arctic Cod, sourced from the northern arctic seas surrounding the fiords of Norway. **Quality:** pressed only from pure Cod Liver, – no other fish or parts of fish used. **Purification:** patented molecular distillation process delivers the cleanest oil available. **Testing:** the contents of each bottle is tested for any contaminants, PCB's, dioxins, mercury, other metals and exceeds the highest standards. **Flavoring:** passes the children's taste test with an all-natural strawberry flavor. **ChildLife®** uses only the highest grade for all of the above.

ChildLife® uses only the highest quality ingredients. **Gluten free**, casein free, alcohol free. Contains no milk, eggs, soy, wheat, yeast, or corn. No artificial colorings, flavorings or sweeteners.

Keep out of the reach of children. Tamper Resistant: Do not use if outer safety seal is broken or missing.

Manufactured for **CHILD LIFE®** Los Angeles, CA 90232 U.S.A.
