Time to reorder

**POUR>SHAKE>GO**  
Each scoop is 100 calories and contains 35mg of caffeine. Limit continuous use to <6 hrs. Mix 2-3 scoops with 24oz/710ml of water per hour for endurance grunts or 1-2 scoops per hour for shorter workouts. Adjust to taste and caloric needs. Sip regularly as a sole fuel source and ditch the gels, bars, chews, and pills!

**EASY ON YOUR STOMACH** > No gut bombs  
**SIMPLE AND COMPLETE** > Ditch the gels, chews, and pills  
**TASTY ALL DAY** > Light flavor tastes better the longer you go  
**CAFFEINE BOOST** > When you need that extra kick

Jeff, Tailwind Nutrition Founder

**ENDURANCE FUEL THAT WORKS**  
I created Tailwind in my kitchen after suffering at the Leadville 100 from nutrition that turned my stomach into a brick, was a pain to use, and tasted awful. Word spread, and soon my mixer couldn't keep up. I love helping athletes beat their goals and feel great using Tailwind. Let me know how it works for you!
