GLUTEN FREE

PHYSICIAN ENDORSED*

♦ This product is endorsed by the GNC Medical Advisory Board. This team of esteemed physicians utilizes their extensive medical knowledge and experience to aid in the creation of GNC premium products, helping you to achieve optimal health through comprehensive nutritional support so you can live your best life!

*In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blends for six weeks experienced significant improvements in serum levels of certain key nutrients compared to a placebo and a leading multivitamin formula based upon multivariate statistical analyses of a group of B vitamins (thiamin, niacin, riboflavin, pantothenic acid, biotin, folic acid and vitamins B-6 and B-12) and key antioxidants and carotenoids (a group of beta-carotene, alpha-tocopherol, selenium, lutein and lycopene). Statistical improvements in SF-36 Vitality and Mental Health scores were also observed compared to placebo.

GNC QUALITY COMMITMENT

For more than 79 years, GNC has been the leader in the development of superior nutritional supplements. Our products are produced using only fresh, high-quality ingredients and are manufactured under the strictest quality controls.

GNC

MEGA MEN[®] 50 Plus

More antioxidant power than ever and over 30 clinically studied ingredients in every formula – all in smaller, easier-to-swallow pills.

Men's Health

Contains a clinically studied men's multivitamin shown to work better than a basic multivitamin. ^ Helps support colon health.*

Antioxidants

Packed with antioxidants to help protect against harmful free radicals that can destroy healthy cells and promote cell aging.*

Heart Health

Includes vitamin B-6 and folic acid, which provide dietary support for your cardiovascular system.*

Prostate & Circulatory Support

Features lycopene and saw palmetto to support prostate function, and L-arginine, which helps to maintain blood vessel tone and plays a key role in sexual health.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
