

ULTRA PRE-WORKOUT FORMULA SUPPORTS MUSCLE ENERGY AND STRENGTH*

From the Makers of NITRAFLEX® – The GAT Sport Research and Development Team brings you Psychon™! Perfectly formulated for serious athletes and the weekend warrior who demands the most in physical performance.

Get brutally **"Psyched"** and turned fully **"On"** with this super-packed, mega-dosed performance nutraceutical. Featuring *beyond clinically tested actives* to detonate the most extreme and intense workout experience. This fully disclosed, scientifically advanced formula is perfect for the heaviest lifts, muscle building, optimized hormone levels, increased strength, and monstrous muscle torque.* Set your goals and demolish them with Psychon.

Reactive Hyperemia describes the increase in muscle blood flow that occurs during high-intensity resistance exercise and produces the "pump" associated with increases in muscle size.

Try our other
Extreme Flavors!
