

HONEY & BLACK SEED

with Wild Honey & Apricot Oil

24 HOUR NATURAL DEODORANT

Black Seed Oil earned the Arabic title "habbatul barakah", seed of blessing for its perceived powerful properties in traditional medicine. Nubian Heritage infuses pure Shea Butter with Black Seed Oil and the skin softening properties of Arabian Honey to yield this North African inspired deodorant.

HUMBLE BEGINNINGS

We got our start as street vendors in Harlem. Fresh out of college and without jobs, we set out to bring the healing traditions of our African childhood to the community. Today, Nubian Heritage offers hundreds of culturally authentic interpretations of Ancient healing remedies.

Our 24 Hour Natural Deodorant is enriched with Propanediol, a tested and effective natural deodorant ingredient derived from fermented NON-GMO corn. Vegetable Glycerin and organic Shea Butter provide a silky smooth glide.

**USAGE: Apply to underarms daily as needed.
For external use only. If irritation occurs, discontinue use.**
