

SX-7

RESEARCH-BACKED INGREDIENTS. CLINICAL DOSES. FULL TRANSPARENCY. ALL POWER.

Amino Max EAA Black Onyx® is an advanced, 2-in-1 amino formula driven by science and backed by research to enhance strength, recovery and lean muscle. It features a class-leading 11g of EAAs including 5g of BCAAs, plus scientifically validated doses of betaine, taurine and electrolytes for real power, performance and intensity.▲

▶ Rapid-Absorbing Essential Amino Acids

Introducing the strongest combination of EAAs and BCAAs, with 11g of EAAs including 5g of BCAAs, more than you'll find in most pure BCAA formulas. Essential amino acids are crucial for musclebuilding and recovery. These essential aminos can't be made by your body, meaning they must be consumed through diet or supplementation.▲

▶ Proven to Enhance Strength & Lean Muscle

Amino Max EAA Black Onyx® also delivers clinical doses of betaine and taurine for validated boosts in strength, muscle and performance. Plus, MuscleTech® researchers included a precise electrolyte plus blend to help replenish stores lost during intense training.▲
