

StriVectin® SD ADVANCED™ INTENSIVE CONCENTRATE FOR WRINKLES & STRETCH MARKS

want your **youth collagen** back?

StriVectin®

Want younger looking skin? Collagen is the key.

By age 40, collagen levels typically decrease by 1% per year resulting in **visible, pronounced signs of aging**. As collagen is depleted, **skin hollows out, surface lines and wrinkles appear** — and gradually deepen over time.

15 days to reduce the look of lines & wrinkles*

94% saw a noticeable difference*

4 Mil Mylar

our #1 **wrinkle fighting** moisturizer

Includes: Intensive Concentrate for Wrinkles & Stretch Marks (2) e 60mL / 2 fl oz each

strengthen. supercharge. with the smart molecule **NIA-114™**

StriVectin is powered by NIA-114™, our patented, optimized form of Niacin/Vitamin B3. This smart molecule is clinically-proven to strengthen the skin barrier and supercharge the performance of other ingredients, for visibly transformed, more youthful skin, body and hair.

NIA114™ TECHNOLOGY

A SMARTER WAY TO FIGHT WRINKLES
SD ADVANCED™ INTENSIVE CONCENTRATE FOR WRINKLES & STRETCH MARKS

This wrinkle fighting moisturizer with **Collagex-CE Complex™** harnesses the latest advances in skincare science to specifically target Collagen III, also known as 'youth collagen'. Powered by patented **NIA-114™ technology**, this breakthrough formula is clinically proven to significantly diminish the appearance of the number, length and width of wrinkles.

+ BONUS: SD ADVANCED GOES BEYOND WRINKLES TO ALSO TARGET STRETCH MARKS

CLINICALLY PROVEN AFTER 15 DAYS*

*Based on clinical testing and consumer use evaluation data when used as directed.

SD Advanced™ Intensive Concentrate for Wrinkles & Stretch Marks (2) e 60 ml / 2 fl oz

Directions: For wrinkles: Apply all over clean face, avoiding eye area, in the AM and PM, gently massaging into wrinkle-prone areas.
For stretch marks: Use AM and PM on clean skin, massaging into targeted areas.
Caution: Use only as directed. Avoid eye contact. If product enters eyes, flush well with water. Discontinue use if signs of irritation or rash appear.
