*The letters "HPUS" indicate that the components in this product are officially monographed in the Homeopathic Pharmacopoeia of the United States.

Uses**

- Temporarily relieves cold & flu symptoms.
- Provides temporary relief from respiratory symptoms such as sneezing, runny nose, nasal & sinus congestion, minor sore throat and headache.
- Also temporarily relieves fever, chills, and body aches associated with the flu.

Warnings

Sore throat warning - Severe or persistent sore throat or sore throat accompanied by high fever, headache, nausea, and vomiting may be serious. Consult physician promptly. Do not use more than 2 days or administer to children under 3 years of age unless directed by a physician.

Stop use and ask a doctor if:

- Symptoms worsen
- Any new symptoms appear.
- Fever lasts for more than three days.
- Respiratory symptoms persist for more than seven days.

If pregnant or breast feeding, ask a health professional before using.

Keep out of the reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions ■ For best results, use at the first sign of symptoms of a cold or flu and continue to use for an additional 48 hours after symptoms subside.

Adults and children 4 years of age and older	Dissolve entire tablet in mouth. Do not chew. Do not swallow whole. Take one tablet at the outset of symptoms. Repeat every three hours.
Children under 4 years of age	Consult a doctor before use.

Other Information ■ Do not use if blister seal is broken
