When pure Shilajit resin was extracted from 16,000ft in the Himalayas, it needed just one upgrade: the taste. That's when the sages of Ayurveda turned back to nature, and carefully extracted the gift of the bees. Raw honey, straight from the hive, is infused with 3rd party lab tested Shilajit for your strength, stamina and endurance. Empty each sachet in a warm cup of tea or milk or simply enjoy its natural flavor as it is!*
