Keep in a cool, dry place.

Manufactured in the USA. This product contains ingredients of international and domestic origin.

Why Use: To support muscle building⁴ and recovery. To help meet your daily protein intake goals.

When to Use: First thing in the morning, before or after exercise, anytime.

Directions: For a rich, thick shake, mix 33g (about 1 scoop) with 6-8 fl oz of water in a shaker or blender. If a shaker or blender is not convenient, ISOPURE[®] LOW CARB can be stirred into solution with a spoon.

Suggested Use: For healthy adults, consume enough protein to meet your daily protein requirement with a combination of high protein foods and protein supplements throughout the day as part of a balanced diet and exercise program.

Quality Commitment: ISOPURE products are manufactured in accordance with Good Manufacturing Practices (GMP) established by the U.S. Food and Drug Administration (FDA). To assure the highest quality and food safety standards, and adhere to label claims, ISOPURE products are tested by our Quality Assurance team laboratories.

*When taken over time with regular resistance training.
