Proline	365mg
Serine	770mg
Threonine [§]	285mg
Tyrosine	655mg
Valine [§]	830mg

[§]Essential Amino Acids

Contains 8 of 9 Essential Amino Acids.

• Supports Healthy Bones, Joints, Skin, Hair, Nails, Gut, & Longevity[†]

Did you know that collagen is the most abundant protein in the body? It's said that it's like the glue that holds everything together, like our skin, bones, teeth, hair, joints, and even our eyes. It makes up the lining of our intestines, arteries, and organs, which speaks to how important this nutrient is to our health and longevity.

The problem is, we lose collagen as we age as early as age 20. In fact, by age 50, we have lost about 25% of the collagen in our skin! This makes collagen an important part of any health regimen to keep you looking and feeling your best.[†] Plus, **Collagen Peptides** is powered with ConcenTrace[®], a daily foundation of full spectrum ionic trace minerals to help you live better.[†]

Suggested Use: Add 2 scoops (20.4 g) to 8-12 oz. of liquid and mix well.
