20 SERVINGS
NET WT. 21.55 OZ. (611 G)

DIETARY SUPPLEMENT

CODE 364525

DIRECTIONS: As a dietary supplement, mix one scoop in 10 fl. oz. of cold water and consume pre-workout. Continue to mix as settling may occur. Consume ample amounts of water. Do not exceed recommended daily serving. Do not take near bedtime. Exposure to moisture or heat may cause powder to clump or harden. Avoid direct sunlight, humidity and high temperatures. Replace lid securely after use and keep desiccant packs in the jar. Welcome to the Xperience.

[†]An 8-week randomized, double-blind, placebo-controlled study of 116 healthy men participating in a supervised resistance training program showed that those taking MyoTOR[®] had significant increases in mean upper and lower body strength after 8 weeks vs. those who took a placebo with the same exercise. Improvements in strength were seen in as early as 2 weeks.
