

PEPTIDES FOR MUSCLE & STRENGTH[†]

Peptide 447 is composed of a patented creatine peptide, a specialized version of creatine that is linked to peptides and designed to improve absorption, solubility and bioavailability of creatine.

In a 12-week study, test subjects taking 2 servings (6 g) of creatine monohydrate gained over 4 times more lean muscle than subjects using a placebo (7.12 lbs. vs. 1.30 lbs.). In the same study, test subjects taking creatine gained 78% more muscle size compared to a placebo (1.62 m³ vs. 0.91 m³).[†]

In a 10-week study, collegiate football players who consumed 5 g of creatine monohydrate daily while following a resistance program significantly increased strength by 4.2 times compared with a placebo (11.2 lbs. vs. -3.5 lbs.).[†]

In a 10-day study on weight-trained individuals, subjects consuming the same form of creatine found in Peptide 447, with a training program, increased their strength capacity on the bench press by 18.6% compared to baseline (6,658 joules vs. 5,613 joules).[†]

Creatine helps the body create ATP. ATP produces cellular energy, which the brain uses for various functions.[†]

† Daily Value not established.

Other Ingredients: Silicon Dioxide, Sunflower Lecithin.
Contains milk ingredients. Processed in a facility that also processes soy, eggs, peanuts, wheat, tree nuts, fish, crustacean shellfish and sesame ingredients.

DIRECTIONS: Mix 1 serving (1 scoop) daily with 6 oz. of water, coffee or your favorite beverage immediately before consumption. For added convenience, it can also be mixed into your protein shake. For best results, consume 2 servings (2 scoops) per day. Maintain an adequate state of hydration during use. Read the entire label before use and follow directions provided.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Consult a medical doctor if you have a medical condition or before starting any diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). Contains bioengineered food ingredients.

Distributed by Iovate Health Sciences U.S.A. Inc. 1100 North Market Street, 4th Floor, Wilmington, DE 19890. Made in the U.S.A. from domestic and international ingredients.
