Following Our gut Since 1935

In 1935, GNC's founder started selling probiotic-rich yogurt, recognizing the importance of gut health. Today, we carry forward this legacy with GNC Gut Health, featuring clinically studied, gut-nourishing ingredients to support your overall wellness.*

Good gut Health & Digestion

Improves digestion and replenishes the gut with beneficial bacteria from clinically studied probiotic strains – plus ginger root.*

Nutrient Breakdown

Helps ease digestion and release vital nutrients by breaking down dairy, protein, carbs, and fats with a multi-enzyme blend.*

Immune Function

Supports a healthy immune system with 25 billion live, active cultures.*
