

Following Our gut Since 1935

In 1935, GNC's founder started selling probiotic-rich yogurt, recognizing the importance of gut health. Today, we carry forward this legacy with GNC Gut Health, featuring clinically studied, gut-nourishing ingredients to support your overall wellness.*

Good gut Health for Athletes

Improves digestion and replenishes the gut with beneficial probiotic strains clinically studied in athletes.*

Exercise Support

Features probiotic strains clinically shown to improve gastrointestinal discomfort and energy use during exercise.*

Protein Breakdown

Optimizes the breakdown and absorption of the protein you consume with ProHydrolase®, an advanced protease enzyme blend.*
