

Following Our gut Since 1935

In 1935, GNC's founder started selling probiotic-rich yogurt, recognizing the importance of gut health. Today, we carry forward this legacy with GNC Gut Health, featuring clinically studied, gut-nourishing ingredients to support your overall wellness.*

Daily gut Defense

We know probiotic-rich foods are a great place to start, but you can make improving your gut even easier with a clinical strength, daily formula.*

Digestion & Regularity

Improve your everyday digestive comfort with probiotics shown to help ease GI concerns.*

Immune Function

Restore healthy bacteria in your gut that support a foundation for a strong immune system.*
