OUR GLOBAL IMPACT

Hydration should be better for you and better for the planet. We contribute over 1% of our company revenue to our Impact Program.

CLEAN WATER ACCESS

A healthier world begins with water security for all. Through your support, we provide partnership and grants to organizations that expand clean and abundant water access locally and globally.

HYDRATION AID

We deliver hydration aid to communities that need it the most. In the next 10 years, we are committed to donating 150 Million Liquid IV sticks.

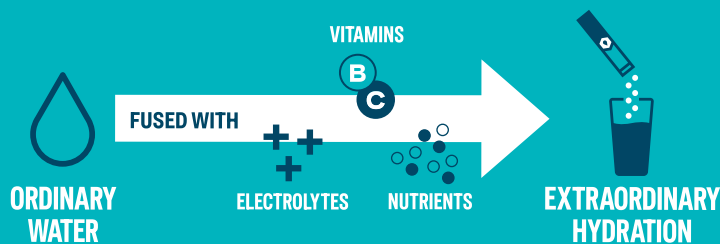

SUSTAINABILITY

Sustainability is at the core of our business. We are working towards zero-waste packaging for the planet. Learn more at Liquid-IV.com/Impact

LIV HYDRASCIENCE™

Liquid IV's science-backed formula is designed with an optimized ratio of electrolytes, essential vitamins, and clinically tested nutrients to turn ordinary water into extraordinary hydration.
