

RISE ABOVE

Optimal levels of three hormones are key to maximizing masculinity: testosterone, estrogen, and HGH. You want more testosterone and HGH, and less estrogen. Unlike virtually every other male vitality supplement out there, Alpha King Immortal™ targets all three.

But becoming the ultimate man is about more than just balanced hormones; it's about strength, performance, and sexual supremacy. This is the ultimate formula for every man looking to live life to its fullest — men who crave immortality and refuse to be forgotten.

Are you ready to rise above?

UNLEASH YOUR POTENTIAL

PLATINUM INGREDIENTS TO HELP YOU UNLEASH YOUR POTENTIAL®

AlphaFen®

500mg of this potent fenugreek seed extract with high levels of bioavailable sapogenins has been clinically shown to not only boost total testosterone, but also help lower estrogen.

AlphaSize®

At the precise dosage included in Alpha King Immortal™, AlphaSize has been scientifically shown to help trigger a significant increase in HGH when taken before strength training.

KSM-66®

Not only does this premium ashwagandha extract help reduce stress and fatigue, enhance mental clarity, and improve performance, it also helps support healthy testosterone levels.

PrimaVie®

This purified shilajit complex contains dozens of constituent compounds and has been used for more than 5,000 years to support male sexual health, boost energy, and improve endurance.

Nitrosigine®

This fast-acting nitric oxide booster not only works to increase blood flow and improve sexual performance, but it also has been shown to help deliver a decisive cognitive lift, as well.

Spectra™

With 31 individual extracts and concentrates, Spectra is a powerful antioxidant that fights free radicals and helps keep your cells healthy. It also helps increase arterial nitric oxide levels.

AstraGin®

This unique compound helps support the absorption and bioavailability of several key nutrients, including Nitrosigine. This helps the formula work more quickly and reliably, time after time.

BioPerine®

Another effective ingredient to help improve bioavailability, BioPerine specifically works in conjunction with Lalmin® Se1000, OptiZinc®, and KSM-66 to optimize absorption in the body.

DIRECTIONS: Take 6 capsules daily with a meal.
