

Procera XTF extreme focus is a fast-acting energy booster with cognitive health benefits.†

Procera XTF extreme focus is ideal for meeting your daily energy needs so that you ALWAYS perform at your very best. Fast-acting Procera XTF works by providing energy support through natural sources of caffeine and the cognitive enhancers found in our Procera AVH supplement. It also includes rhodiola rosea and a balanced assortment of B vitamins to promote endurance and general health.†

How Procera XTF Extreme Focus Works:

- 1 Provides an energy boost and antioxidant support.†
- 2 Helps support blood flow to the brain.†
- 3 Helps replenish your depleted neurotransmitters with vital nutrients.†
