DIETARY SUPPLEMENT | NET WT 11.4 OZ (324 G)

HARNESS THE BENEFITS OF 2 POWERFUL RECOVERY TOOLS*

With two of the most common performance enhancements in the world, **BUCK BUILD** provides the powerful formula of our signature creatine blend with the natural essence of our L-Glutamine.

BUCK BUILD contains 5 different types of creatine, each with different benefits and different rates of release to help you accelerate muscle growth, increase strength & power output.*

With an added amino acid boost, L-Glutamine plays a crucial role in muscle recovery as well as strengthening the immune system.*

BUCK BUILD can give you the power needed to push through the hardest of workouts.*
