

Nature's Lab Gold Turmeric Extract with Curcumin C3 Complex® and BioPerine® is a premium formula with clinically studied dietary ingredients to support inflammatory health, joint health, digestive health and more.†

Curcumin C3 Complex® is a patented formula containing 95% active curcuminoids, the most potent compounds found in turmeric. Turmeric helps support inflammatory health and joint health as well as immune, digestive, liver health and skin health.†

BioPerine® is a black pepper extract that helps promote absorption of nutrients in the digestive tract.† It is obtained from black pepper fruits (*Piper nigrum*) and standardized to a minimum of 95% piperine, the active compound in pepper used to help aid with nutrient absorption.†

Warnings: Pregnant or lactating women and people with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements. Discontinue use and consult your doctor if any adverse reactions occur.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Manufactured in the USA with imported and US ingredients.
