

**Nature's Lab DIM 300 mg** supports healthy estrogen and testosterone balance.<sup>†</sup> DIM (Diindolylmethane) is sourced from phytochemical compounds naturally found within cruciferous vegetables.<sup>†</sup> By modulating healthy hormone metabolism, DIM promotes increased physical stamina, positive mood and a host of other benefits for your well-being.<sup>†</sup> This formula also contains 5 mg of BioPerine<sup>®</sup> black pepper extract to enhance the bioavailability of DIM for increased absorption.<sup>†</sup>

**Warnings:** Pregnant or lactating women and people with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements. Discontinue use and consult your doctor if any adverse reactions occur.

<sup>†</sup>These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**Manufactured in the USA with imported and US ingredients.**
