

Potassium plays an important role in maintaining normal muscle and nerve function, and also helps to promote healthy blood pressure (within normal limits).[†] Potassium citrate is a highly bioavailable and well-absorbed form of this nutrient used for advanced support.[†] **Nature's Lab Gold Potassium Citrate** is an optimal way to get a source of potassium.[†] One vegetarian capsule contains 250 mg of potassium, over 150 more milligrams than other brands.

Warnings: Pregnant or lactating women and people with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements. Discontinue use and consult your doctor if any adverse reactions occur.
