

Turmeric + Joint Complex contains:

Curcumin C3 Complex[®], a patented formula standardized to 95% curcuminoids (compounds found in turmeric). These active compounds help support inflammatory health and joint health.[†]

BioCell Collagen[®], a science-based, clinically studied ingredient that helps support joint health and skin elasticity.[†] This patented formula consists of naturally-occurring hydrolyzed collagen type II, chondroitin sulfate and hyaluronic acid.

MSM, an important compound found in cartilage and connective tissues. This sulfur-containing compound supports joint health and a healthy inflammatory response.[†]

BioPerine[®], a black pepper extract that helps promote absorption of nutrients in the digestive tract.[†]

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Warnings: Pregnant or lactating women and people with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements.
