www.animalpak.com

Made in a cGMP and HACCP certified facility on equipment that processes milk, soy, egg, peanuts, tree nuts, fish, shellfish, wheat, and sesame.

**DOSEAGE:** Mix 1-2 scoops of Animal Pump NS™ with 10-12 oz of your beverage of choice 20-30 minutes before training. For maximum muscle fullness, blood flow, and performance, take 2 scoops. Use as your go-to standalone caffeine-free training option or stack with another pre-workout as desired. This product is formulated with ingredients that absorb moisture which can lead to the clumping of the powder. This is normal and the product is okay to consume.

**INGREDIENT NOTE:** Calories includes the amount contributed by amino acids. Nitrosigine®, including the Nitrosigine® logo, is a registered trademark of Nutrition 21 LLC. Nitrosigine® is patent protected.

**WARNING:** Consult your physician before use if you are pregnant, nursing, have a medical condition, or are taking any medication. Keep out of the reach of children. Not for use by those under the age of 18. California Residents: **WARNING:** Reproductive Harm - www.P65Warnings.ca.gov. Do not exceed the recommended dose. Not to be used as a substitute for a varied diet and healthy lifestyle. For best before date and lot number see packaging. Store this product in a cool dry place, away from heat, moisture, and sunlight.
